

## Testimonials

=====

Calleen Coorough

I am currently the Chair of the Multimedia & Interactive Technology Department at Skagit Valley College. I have been teaching computers, technology, software, and multimedia courses for thirty years. Prior to coming to SVC, I taught at the University of Idaho and Lewis-Clark State College.

I am a proponent of online education, distance learning and virtual universities. I've been teaching online classes since 1996 and have developed online curricula for the courses offered within the Multimedia & Interactive Technology Department. I've also written several multimedia textbooks and supplemental materials.

Comment on Final Submission of MIT 228 DE - Adobe Animate - COOROUGH C (Spring 2018) --"I sure appreciate how hard you work, Judy. You put a lot of effort into this - a lot of coding and design work. Excellent work on all of that!"

Michael Murdock

Mike Murdock is an adjunct instructor in the MIT Department. He currently teaches MIT 260 - Search Engine Optimization, MIT 270 - CMS Fundamentals, MIT 227 - Adobe Premiere Pro, and MIT 212 - Digital Videography. He is also the graphics designer and webmaster for the Student Life Center. Prior to becoming an instructor for the MIT Department, Mike served as an Advisory Committee Member for the MIT Department.

Mike has an ATA in Multimedia and Interactive Technology and a BA in English Literature. He is a member of Phi Theta Kappa, and was honored with the 2006 Outstanding Student Award from the MIT Department at Skagit Valley College.

Comments for MIT 260 Search Engine Optimization: "Good work on your Final Project, Judy! Incidentally, you have created a very nice website... Well thought out revised navigation flow chart."
